## Reading Together

- Read with your child daily.
- Keep a log of books you have read together and a wish list of books to keep the reading experience growing.
- Choose a cozy place to read and make this a special time with your child.
- Be creative and fun with the voices of characters in your stories. Your child will enjoy this lighter side of reading, and you.
- Ask your child questions about the story: "What do you think will happen next?" "How are you like the character?"
- Praise your child for reading along with you and listening to the stories.

Have fun!!!
